

Welkin National School

AFFILIATED TO THE COUNCIL FOR ICSE & ISC EXAMINATIONS, NEW DELHI
SCHOOL CODE : WB 304

NOTICE **SESSION 2020 - 2021**

Dear Parents / Guardians,

We keep no stone unturned to appreciate you all to be with us throughout to overcome this Covid 19 Pandemic phase. At the same time we express our heartfelt thanks to our dear students to be virtually with us to be all time progressive and dynamic and to keep the respect of their parents and reputation of their own school intact.

In this context only, the school thanking the parents, announces that already it is following the steps shown by the Govt. of West Bengal and Hon'ble High Court from the very beginning.

For a look, the original fees structure (100%) and Fees Structure on the basis of 80% (considered especially for parents who want to avail it) is as given below.

- You may pay your ward's actual monthly fee on account exempting the other extra charges or 80 % of the amount .
- Just to inform you parents that whenever you are paying the fees you are guided by the school to pay on account so that when the final decision is declared by the Supreme Court regarding the issue i.e. fees oriented matter, it will be adjusted then and there with the future dealings.
- Thanks once again to all parents to consider 'Education' as the most significant segment of progression of the country and also to keep in mind the huge obligations of the school during the Pandemic.
- The school has again taken the initiative to be beside the parents and so has extended the last date to 21st December,2020 (Monday) to clear all dues from the month of April,2020 onwards availing the benefits of all exemption.
